

MILESTONE 5: Testing & Optimization

This milestone focuses on validating the reliability, accuracy, and contextual awareness of PocketSmart AI's recommendation engine. The system is tested using real-world user scenarios across different planning categories—Home Interiors, Party Planning, and Jewelry Suggestions—to ensure consistent performance. Optimization efforts include refining AI prompt structures, improving session handling, and ensuring a smooth UI/UX across devices.

Activity 5.1: Test with Real-World Budget Inputs Across Domains

Conduct end-to-end testing using varied budgets and user preferences for:

- Home decor setups from platforms like IKEA, Amazon
- Party packages including food (Swiggy/Zomato), venues (OYO), and decor
- Jewelry suggestions matched with outfit styles, occasions, and image inputs
- Home Page

Home Page: The main landing page introducing PocketSmart AI's features with links to planner modules and user actions.

- **Testimonials Page**

Testimonials Page: Showcases real user reviews and success stories to demonstrate the platform's effectiveness.

- **Footer Part**

- **Register Page**

Register Page: Allows new users to create an account to access personalized budget recommendations.

The register page has a white background with the 'PocketSmart' logo and tagline at the top. The main heading is 'Create Your Account'. It contains four input fields: 'Username' with a placeholder 'Choose a username', 'Email' with 'Enter your email', 'Password' with 'Create a strong password', and 'Confirm Password' with 'Confirm your password'. Each field has a small icon on the left. Below the fields is a blue 'Create Account' button with a right-pointing arrow. At the bottom, there is a link: 'Already have an account? Sign In'.

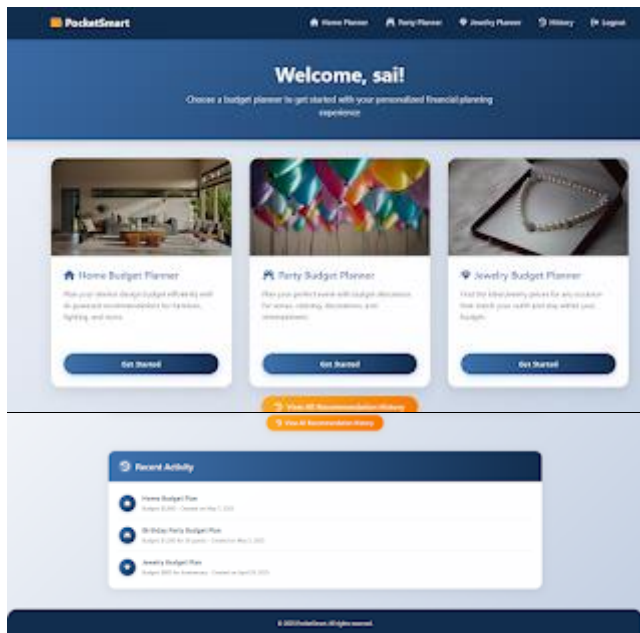

- **Login Page**^[a]

Login Page: Authenticates existing users to access their dashboard and saved data.

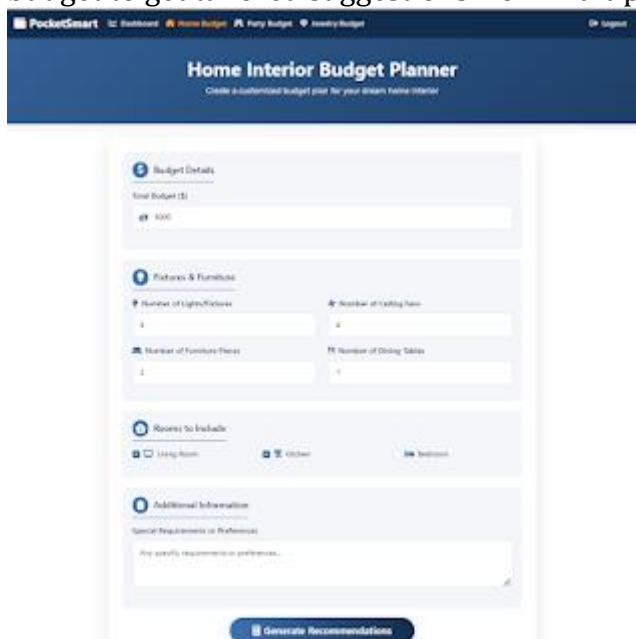

The login page has a white background with the 'PocketSmart' logo and tagline at the top. The main heading is 'Welcome Back'. It contains two input fields: 'Username' with a placeholder 'Enter your username' and 'Password' with 'Enter your password'. Each field has a small icon on the left. To the right of the password field is a link: 'Forgot Password?'. Below the fields is a blue 'Sign In' button with a right-pointing arrow. At the bottom, there is a link: 'Don't have an account? Create Account'.

- **User Dashboard**

User Dashboard: Displays recent recommendations, saved queries, and personalized insights for the logged-in user.

Home Interior Budget Planner Page: Lets users input home decor preferences and budget to get tailored suggestions from multiple platforms.

Home Interior Recommendations Page: Displays AI-generated product suggestions for home decor based on the user's budget and style preferences.
